Re: Certification Required Pursuant to "Timely Justice Act of 2013" October -
December, 2015, Quarterly Report

Dear Governor Scott:

The following individuals now meet the criteria to be added to the certification list
previously submitted to your office on October 6, 2015:

Holland, Albert
Tanzi, Michael A.

The Death Penalty Reform Act specifies that as Clerk of Court of the Supreme
Court of Florida I am to certify in writing to you "that a person convicted and
sentenced to death before or after the effective date of the act," has:

1. Completed such person's direct appeal and initial postconviction
proceeding in state court and habeas corpus proceeding and appeal
there-from in federal court; or
2. Allowed the time permitted¹ for filing a habeas petition in federal
court to expire.

Honorable Rick Scott, Governor

*Existing death warrant

In addition to the individuals listed above, the following individuals under a sentence of death have completed the initial postconviction proceedings in state court but do not appear to have timely filed a federal habeas corpus petition within the time frame allowed.

Jones, Marvin Burnett
Krawczuk, Anton J.

Miller, David Jr.
Rose, James Franklin

Finally, the following individuals are without a complete first state postconviction process and a first federal habeas corpus but they have no current case activity in any court. Some listed in this section have filed pursuant to Rule 3.851(i) of the Florida Rules of Criminal Procedure and their postconviction proceedings were dismissed and collateral counsel was discharged. Others appear to have waived their right to further litigation.

Gill, Ricardo I.
James, Edward T.

Many of the individuals on these lists may have so called “successive” postconviction matters pending relating to their death sentence at some level in either state or federal court. Those individuals are not specifically identified here because it appears those pending matters are irrelevant to the determination of whether they should be included on the certification list.

If you have any questions, please do not hesitate to contact me.

1. I am not sure what legal effect the words “allowed the time permitted” to expire has compared to “the time has expired.” I have included on this list those persons where the time has, in my opinion, expired. I do not know if the individuals “allowed” it to expire.

2. The majority of this information comes from sources other than Florida Supreme Court case files. I believe the information is accurate but cannot say it is not subject to dispute. It also involved a number of judgments in which reasonable people could reach different results.

3. The list is in alphabetical order by last name.

4. The statute uses the phrase “convicted and sentenced to death.” I have not included individuals on this list who have been convicted and sentenced to death and who have also completed the initial rounds of review but who are not

currently under a sentence of death because they have been granted a new trial or new sentencing hearing but that new proceeding has not yet been completed.

5. Mr. Bolin has two death cases: one from Hillsborough County and one from Pasco County. One sentence (Pasco County) meets the qualification for certification; the other does not.

6. Mr. Franqui has two death cases both from Miami-Dade County. One sentence meets the qualification for certification; the other does not.

7. Mr. Stewart has two death cases and both sentences meet the qualifications for certification.
