## **Florida Board of Bar Examiners Successfully Administers Remote Bar Exam**

The Florida Board of Bar Examiners announced today that it successfully administered the October 2020 Bar Examination to 3,137 examinees. Because of the COVID-19 pandemic, the board administered the examination to all applicants remotely for the first time on October 13 and 14, 2020.

“The board thanks all of the examinees for their hard work and dedication to seeing this process through. We would also like to thank ExamSoft for its effort in preparing for the exam and assisting the board and examinees on exam day,” said David C. Reeves, the board’s Chair.

The Board is expediting the grading for the October 2020 Bar Examination. Grades are scheduled to be posted on November 20, 2020 on the Supreme Court of Florida’s website ([www.floridasupremecourt.org](http://www.floridasupremecourt.org)).
